This past year has not been as busy as some years due to the changeover to the District Court system

giving this court jurisdiction of the towns of Freedom, Effingham, Tamworth, Ossipee and Wakefield. Heretofore the law enforcement officers were able to take their cases to the nearest court.

During the year the court handled 345 complaints, of which 12 were bound over to the Superior Court for probable cause as felonies, 240 were motor vehicle violations, 10 fish & game, and the rest being of a miscellaneous nature. There were 11 juvenile cases and 77 small claims disposed of during the year.

In April Lawrence C. Walsh of Wolfeboro was appointed Justice of this court taking over his duties the first of May. Associate Justice Edward C. Smart very ably performed the duties of Acting Justice until this time and is continuing as associate justice and filling in whenever he is needed. To show their appreciation for all he has done, the State Police, Sheriff's Dept., lawyers, county attorney, and others interested tendered him a party at the Center Ossipee Inn one Saturday evening after court.

Justice Lawrence C. Walsh, Associate Justice Edward C. Smart and the clerk appreciated the cooperation which the law enforcement agencies have given them throughout the year. There have been some changes, one of which was to change the regular session of court from Saturday evening to Wednesday evening.

Clerk

POLICE DEPARTMENT

Ossipee, N. H.

January 21, 1966

Townspeople of Ossipee:

Herewith third annual report of the Ossipee Police Department.

Complaints answered by this Department during 1965 increased some 40% over the previous year. Your officers answered 143 complaints, as against 101 during 1964. Traffic duty also increased over the past year.

Domestic Troubles, quarrels between neighbors and our juvenile problems continue to be the big items in our work. Motor Vehicle complaints are right up there too, but the State Police, for the most part, handle this type of complaint, keeping our activities in this area to a comparative minimum.

Juveniles give us some trouble to be sure, but we cannot point the finger at the youngsters, as the adult differences, and the problems that arise thereof, are our biggest headache!

As stated in last year's report, it is my hope that we can put more time into patrol of our town roads during the coming summer months. The weekend summer nights see more and more activities on our back roads; more and more motor vehicles in and out of our town. And even though we have a State Police force in New Hampshire that works hard at it, these men just cannot cover all of our roads. It is up to the individual towns to do their share of this work.

During the summer of 1966 I would like to see a regular weekend patrol in the town of Ossipee. Friday

and Saturday nights, and any other nights of the week when conditions and traffic warrant it. Just a few hours of spot-checking over the weekend is certainly not a cure-all, however, it does tend to keep the trouble-makers on their toes, and, in many cases, out of our town.

In not too many years to come, Ossipee will have a full-time Police Department. Expanding property values and an increased population will bring this about. We should, year-by-year work toward this end.

Following is a breakdown of complaints received by the Ossipee Police Department during 1965:

Accidents and Motor Vehicle	22
Domestic and Neighborhood troubles	34
Dog complaints	19
Drunk-Disorderly and Breach of Peace	16
Juvenile	28
Breaking entering or larcenies	5
Vagrants	3
Death Messages and Hospital runs	8
Court sessions	8

Respectfully submitted,
PHILLIP A. BLAKE
Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.

2. To never discard lighted smoking material from a car or while walking through fields or woods.

3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:

a. Always get a permit to burn from the warden.

b. Start your fire late in the day after 5:00 pm.

c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.
